

Redhook Bowl Event Information

- Rental Fee** \$700 plus tax for a five hour rental. Additional hours priced at \$100 per hour. Rental period includes setup and removal of all equipment and supplies. Event must conclude before 11pm. 300 guest maximum.
- Staffing** Events in this area are independent of the Brewery and its employees unless specifically contracted with Redhook. Large events may require security staff at the expense of the Hosting Party.
- Parking** Redhook has limited parking available. Parking is available on a first come, first serve basis. Parking alternatives must be arranged for groups of over 150 guests (i.e. vanpool or shuttle bus). Proof of arrangements will be required.
- Food** Redhook is pleased to offer its in-house catering services with reduced menu options. Or, you can contract with a licensed caterer from our Exclusive Catering List (see page two). If you opt to work with an outside caterer, arrangements, food service staff and payment for catering services must be made directly with the caterer. Food not provided by a licensed caterer is not permitted for events in the Bowl.
- Beverages** Washington State Liquor Control Board mandates that only alcohol purchased from Forecasters Public House be allowed on Redhook grounds. Also, open containers of alcohol cannot leave the Bowl and enter the parking lot area, nor be transferred from the Forecasters Pub to the Bowl. The purchase of draft beer and wine to be served in the Bowl should be arranged with Redhook two weeks prior to the event. Your caterer may supply non-alcoholic beverages. A **banquet permit is required** and should be prominently displayed during your event. Spirits and other alcohol purchased off-site are not permitted.
- Beer – see current price list on page 4.
- Wine - wines by the bottle are available for purchase from Redhook. See current price list on page 4.
- Beverage Service** Contact the Event Manager to discuss service options.
- Set-Up/Breakdown** The set up and breakdown of rental equipment, staging, tents, recreational equipment, etc. is not included in the rental charge. Removal or disposal of the aforementioned items is the sole responsibility of the Hosting Party. Redhook is not responsible for any equipment or items lost or left behind.

Rental Equipment Redhook requires that all delivery and pick-up of rentals occur on the day of the event during the access times stated on the Bowl Rental agreement. Arrangements for rental equipment are the sole responsibility of the Hosting Party and may be arranged through a contracted caterer or an event rental company (contact Banquet Manager for a recommended list). The Hosting Party must be on site for the delivery of all rental equipment. **Staking rentals into the lawn is not permitted. At no point are motor vehicles allowed to drive on the lawn.**

Clean Up The Hosting Party is responsible for the removal and disposal of all trash; this includes all decorations, cups, bottles, and food waste. The Bowl must be returned in the condition it was obtained. All garbage must be removed from Redhook property at the end of the event. Used kegs should be returned to the brewery retail shop at the end of the event. A \$200 fee will be assessed to the Hosting Party should the area need additional cleaning. This is strictly enforced.

Weather The Redhook Bowl is a natural setting and as such offers no weather protection. Redhook is in no way responsible for supplying alternative space in the event of inclement weather. The Hosting Party is solely responsible for any tenting or temporary shelter. Redhook must approve the location of such in advance of set-up.

Cancellation A written notice of cancellation must be received one hundred and twenty (120) days prior to the event date for a refund of the rental fee.
